About me

I am a motivated software developer in making. I have discovered my passion for coding in 2021 and have been learning enthusiastically ever since. Now I have several projects under my belt and am eager to find my first job in the industry. Personally, I am an outgoing, communicative person. That, I believe, makes me stand out among other aspiring devs. I have an excellent work ethic and sense of responsibility for the team. In my free time I enjoy working out, playing computer games, hiking. I value punctuality, loyalty and down-to-earth attitude.
